REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1969 fire season was a quiet one in this area. Frequent rains kept the danger to a minimum and there were few violations. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

Fire Permit

A **fire permit** is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a. m. and after 5:00 p. m.

Exceptions

Commercial or Industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.
2. For kindling a fire by any means wilfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.
4. For dropping inflammable material in or near woodland maximum fine of \$25.00.

REPORT OF CEMETERY COMMITTEE

There are six public cemeteries in the Town of Croydon: the East Village, Croydon Flat, Four Corners, Pinnacle, Putnam and Under-the-Mountain. The remaining lots in these cemeteries are to be sold on an individual lot basis, except for the Under-the-Mountain Cemetery.

For the purposes of clarification, a "resident" is defined as a person who has resided in the town of Croydon for not less than three years consecutively. However, it is understood that at times there will be extenuating circumstances when a resident will not have resided here for three years, and this fact will be taken into consideration by the proper authorities.

PROPOSED REGULATIONS

Croydon residents may purchase the remaining lots in these cemeteries, except for the Under-the-Mountain Cemetery, on an individual or family plot basis, which is not to exceed four graves, and a lot being a single grave-site.

With the limited space available in these cemeteries it would be impossible to determine an exact size of a lot because of the pre-existing lay-out.

The fee for the remaining lots in all the public cemeteries shall be \$50.00 (Fifty Dollars) per individual lot. If the family decides not to use the lots already purchased, they must revert back to the town at which time the purchase price will be refunded, and if the lot is not used within 100 years of the purchase date, it shall revert back to town ownership without any refund of monies. The monies received from the sale of cemetery lots will be placed in a general cemetery trust fund, the interest from which will be used for the perpetual care of the cemeteries.

The lots in the new part of the Croydon Flat Cemetery have already been laid out in 4 ft. by 11 ft. lots and the foregoing regulations shall also apply to it. All grave stones in this new section of the cemetery shall be flush with the ground except those already established.

Each lot shall have a permanent marker bearing sufficient vital statistics to identify the grave. (Applies to all cemeteries.)

Complete permanent records shall be kept by a superintendent of cemeteries or other responsible agencies.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of Croydon:

VOTING FOR SCHOOL OFFICERS

By action of the 1969 Legislature — RSA 59:77-a states:
 "Each school district in the state, except a district having a special statute relative to election of its district officers, shall elect its officers by means of the non-partisan ballot system, as provided in RSA 59:79 to 86, inclusive."

This means that candidates must file for the various offices and the voting must be by printed ballot.

A R E A SCHOOL DISTRICT

Under the Newport-Croydon A R E A School Plan, Croydon continues to pay the tuition fee in Grades 7-12 without a rental charge. The difference from the amount paid by the other sending Districts is as follows:

	Grades 7 - 8	Grades 9 - 12
Regular Tuition	\$ 550.	\$ 690.
Rental Charge	45.	45.
	<hr/> \$ 595.	<hr/> \$ 735.
Tuition Rate for CROYDON	\$550.	\$ 690.
STATE AVERAGE		
TUITION FOR 1970-71	\$ 653.	\$ 753.

Croydon also received 50% of the A R E A Incentive Aid which amounted to \$1,244.50 for this year.

VILLAGE SCHOOL

The progress of the seventeen students now attending Grades 1-3 under the guidance of Mrs. Ettabelle Lewis is quite satisfactory. There is a good teacher-pupil relationship which is essential for a good learning situation.

Respectfully submitted,

GORDON B. FLINT

Superintendent of Schools
